

- Features**
- Sanitary totally
 - 180 grit ground and brushed
 - AISI 304 and AISI 316 stainless steel manufactured
 - Light and strong
 - Sanitary cover
 - 100% hermetic (optional)
 - Silicone seal (optional)
 - Easy open
 - Welded with TIG process
 - Easy cleaning design
 - Meet FDA requirements
 - Clamp (optional)
 - Handless (optional)

- Application areas**
- Production department
 - Sterile area
 - weight room
 - Warehouse
 - Multiple use

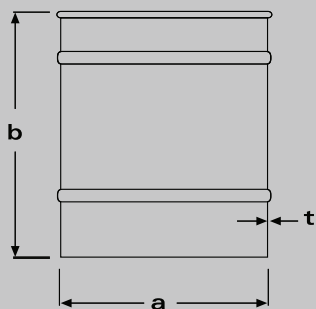

CONICAL AND CYLINDRICAL DRUMS

capacity	diameter	height	diameter	thickness	weight
